

Indiana Department of Environmental Management Office of Water Quality Wetlands Section

Publication Date: January 18, 2011

PUBLIC NOTICE

IDEM ID Number: 2011-010-50-JPS-A

Corps of Engineers ID Number: LRL-2010-10-89-sam

Closing Date: February 7, 2011

To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for Section 401 Water Quality Certification by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

1. Applicant:

Mr. Nathan Saxe

Indiana Department of Transportation 100 North Senate Avenue, Room N642

Indianapolis, IN 46220

2. Agent: Ms. Amber Thomas

Indiana Department of Transportation

315 E Boyd Blvd. LaPorte, IN 46350

3. Project location:

NE 1/4 of Section 36, Township 32 North, Range 4 East, Mentone USGS Quadrangle Map

Approximately 0.7 mile north of SR 25 on SR 331, in Marshall County

4. Affected waterbody:

Unnamed Tributary (UNT) to the Tippecanoe River

5. Project Description:

The applicant proposes to replace the deteriorating 36" wide by 50' long pipe that caries SR 331 over an UNT to the Tippecanoe River with a new 36" wide by 50' long pipe in the same location but one foot lower in elevation. The applicant also proposes to use a temporary pump around during the pipe replacement. No compensatory

mitigation is proposed.

Comment period:

Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review

process.

Public Hearing:

Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions?

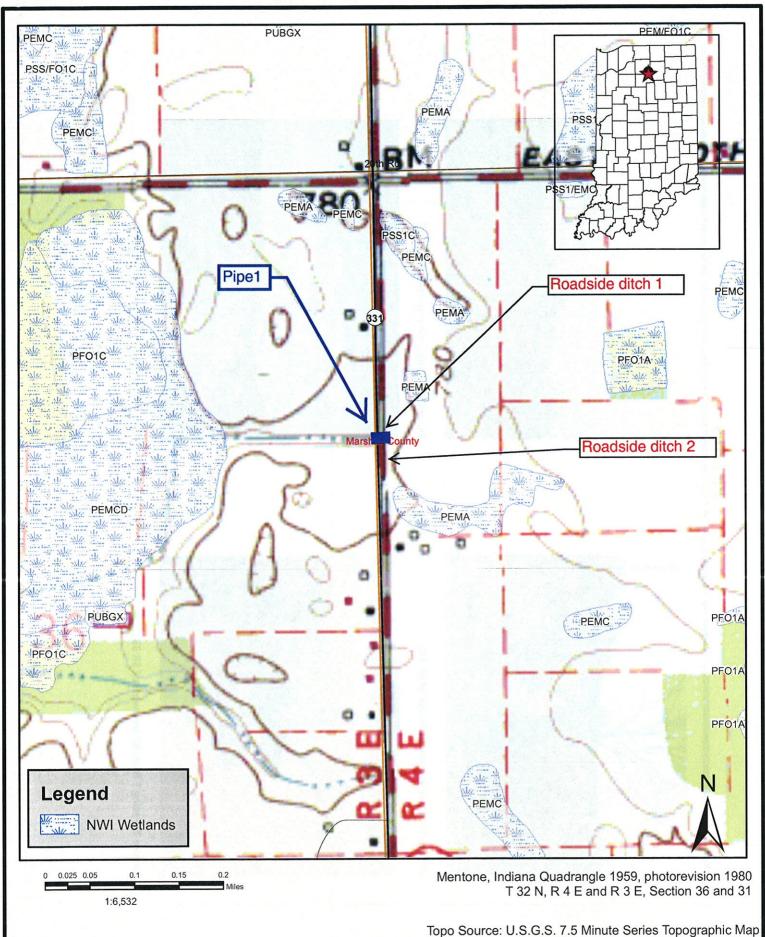

Additional information may be obtained from Mr. Jared Sanders, Project Manager, at 317-234-6352. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
